RoHS & RoHS2 CERTIFICATE OF COMPLIANCE

Restriction of the Use of Certain Hazardous Substances (RoHS)

ALLSTAR MAGNETICS, LLC Certifies that all our products designated and marked as **RoHS or RoHS2 Compliant** conform to the requirements of EC directive 2002/95/EC (RoHS) or RoHS2 Directive 2011/65/EU, respectively, as of the date of this certificate. Said products having no intentional addition of Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent Chromium (Cr), Polybrominated Biphenyls (PBB), Polybrominated Diphenyl Ethers (PBDE), and any trace impurities of these substances are below the threshold limits as specified by the RoHS directive, specifically Cr+6, Hg, Pb, PBB, PBDE do not exceed 1000 ppm (0.1%) and Cd does not exceed 100 ppm (0.01%).

Package markings for Allstar Magnetics, LLC RoHS compliant products include the words “**RoHS Compliant**” and “**RoHS2 Compliant**”. By default, said phrases refer to compliance with directive EC 2002/95 and RoHS2 Directive 2011/65/EU, respectively. Additional markings including symbols, logos, or other markings may be used in conjunction with those phrases. Individual components may not have markings and must be retained with original packaging in order to assure separation and segregation of compliant and non-compliant product. Part numbers will not change and the packaging may be the only means to make compliance determinations. Allstar Magnetics, LLC is not liable for any failure to keep compliant and non-compliant product separated and properly identified after said material is out of its physical control and we cannot retroactively certify any products once they are out of our control and or removed from original packaging.

Allstar Magnetics, LLC believes to the best of its knowledge that the above statements are accurate as of the date of this certification and the statements and certifications of suppliers or service providers of Allstar Magnetics, LLC may have been relied upon in the preparation of this statement. Within the above defined limitations this certificate may be relied upon by the distributors and customers of RoHS designated products of Allstar Magnetics, LLC. This certification is valid unless superseded by a revised certification at a later date. Contact us or view the web site for updated certifications and for further information regarding RoHS and RoHS2.
